I would like to apply for the position of Javascript Developer at TPS Software Company to leverage my work experience, absorb new skills, and become a professional developer. Eager to contribute value and support business development efforts.

EDUCATION

Bachelor of Computer Science
TON DUC THANG UNIVERSITY

Sep 2020 - Sep 2024
GPA: 8.21/10

PROJECTS

MALWARE DETECTION USING MACHINE LEARNING ALGORITHMS

Dec 2023 - Mar 2024

- Implemented Machine Learning Algorithms to detect Malware, utilizing Decision Trees, Random Forest, Naive Bayes, and Gradient Boosting. Achieved an accuracy higher than 80% with Decision Tree and Random Forest models, and higher than 70% with Naive Bayes and Gradient Boosting models.
- Role: Team Leader, Developer.
- Technologies: Python (Scikit-learn library), Jupyter Notebook.
- During: December 2023 - March 2024

ONLINE HOTEL BOOKING WEBSITE

Jan 2023 - Apr 2023

- Developed a website with booking room functions for users, including login, logout (authorized with token, bcrypt), finding room types, booking based on selected time, selecting additional service types, making payments, and viewing booking history... Also, created an administration website for managing rooms, homepage information, users, room booking history, and revenue statistics.
- Role: Team leader, Developer.
- Technologies: JavaScript, NodeJS (ExpressJS), HTML, CSS, MongoDB.
- During: January 2023 - April 2023

ONLINE AIRLINE TICKET BOOKING WEBSITE

Aug 2022 - Dec 2022

- Developed a website with booking ticket functions for users including login, logout, finding flights, payment processing, seat reservation, baggage weight selection, and viewing booking history... Managed an administration website for flight management, homepage information, user management, ticket booking history, and revenue statistics.
- Role: Team leader, Developer.
- Technologies: JavaScript, PHP, HTML, CSS, MySQL.
- During: August 2022 - December 2022

SKILLS

Languages: JavaScript, Python, PHP

Technologies: NodeJS (ExpressJS), MongoDB, SQL Database (MySQL, SQL Server), Git, MVC Framework

Soft Skills: Communications, English Skills, Presentation Skills, Teamwork Skills (Agile, Scrum,...), Project Planning, Time Management

WORK EXPERIENCE

English Teacher
Kyna English

Mar 2023 - Present
Viet Nam

- Trained students of various age groups on communication skills and other related skills, resulting in a 50% to 70% increase in student proficiency.

CERTIFICATIONS

PET - Cambridge Preliminary English Test B1 - 150
